

## Lymplhine Fundraising

This year's Firefly Properties Charity Golf Day was at Dale Hill Golf & Country Club on 20th October 2017 and their nominated charity was The Lymphoedema Support Network (LSN).

Chris and Carol Prier are Directors of Firefly Properties (Paddock Wood) and good friends of Trustee Matt Hazledine and his wife Vicki. They were thrilled to support the LSN, with all profits from the golf day going to the charity.

Chris and Matt spent many hours over the previous months contacting potential sponsors, recruiting friends and family to play golf for the day and asking for prizes. Their hard work paid off as the event ran like clockwork!

The day was supported by local businesses of all sizes, from Land Rover, Porsche and Waitrose to

Independent Pension Specialists, Goodwin Pest Management and Crabtree Consulting.

Chris Prier said "We were genuinely overwhelmed by the generosity of our friends in local businesses who either entered a team, sponsored a prize hole like nearest the pin or longest drive, sponsored a standard hole, or provided wonderful prizes for the Auction, Silent Auction or Raffle."

Carol Prier added "The day was a huge success and the weather was warm and sunny for our 80 golfers which made the day even more enjoyable. Those who joined us for the evening meal and entertainment had a fantastic time too."

Firefly Properties were absolutely thrilled to announce that the total amount raised, of which 100% is donated to the LSN, was an amazing £8,106.00.

Matt Hazledine and the LSN would like to say a huge and heartfelt thank you to the Firefly Properties team for all their continued support and for the incredible amount raised at the golf day. People are amazing!
